And much [More](#)

Editorial: Hello!

So here it is, the first ever issue of Comtec IPE's monthly e-Newsletter.

Our goal with this newsletter is to keep you up to date with all the latest developments in plastics technology and servicing.

Each month we will have articles relating to our products, services and suppliers plus a little insight into our company via the editorial.

Mold -Masters to showcase its global and technology strengths at K 2007

As the global leader in the Hot Runner industry both in technology and service, Mold-Masters will be using the K Show (**01/A39**) as an opportunity to further
